Shoutouts

Shout out to all the schools already meeting KIM A4 (FRNYC students identified in STARS). As of October 19th, we have enrolled 16,978 10th - 12th graders in FRNYC...this is 97% of our projected enrollment! Go team FRNYC!

[FRNYC] Programmatic Updates

KIMs Update: Milestone A data in NV is still updating. Met Milestone A? Watch for a confirmation email. Showing Off Track? Check that your Pathways Workbook and STARS match and students are enrolled in accurate STARS codes.

Tickets! Submit a NV ticket if issues persist, if you offer CCI, ECC, or FinLit in more than one term, or if STARS lists students as 9th gr due to credits but they should count at another grade (include name, student ID).

Designation status will reflect Milestone A only until Nov 9, so start Milestone B now! NEW: A KIMs Progress Report, updated the 5th and 20th monthly, is in NV. Contacted about enrollment? Please respond ASAP!

CoP: Register ASAP for the required Community of Practice (KIM B15). Cohorts 1-3 attend Nov 17; Cohorts 4-5 attend Nov 18. Questions? Contact your Director + ISP.

[CRMYA] Programmatic Updates

It was great to see so many schools represented at the Advising For Apprenticeship session on Oct 14th as well at the Healthcare Accelerator on Oct 20th. Please remind counselors to review the Apprenticeship Advising Toolkit and start identifying 11th grade candidates to schedule for the spring Pathways Matching course. Ideal candidates are:

- On track to graduate but not necessarily top achievers (who rarely commit to multi-year programs).
- In FRNYC or CTE pathways, which provide great prep, especially for healthcare.
- Planning to attend college locally, as apprenticeships can complement local degree tracks.

If you are a school that is embedding Career Development into another course, please complete this form by October 30th and send it to Jessica Kemper (jkemper@schools.nyc.gov).

Upcoming KIMs

Your designation status in New Visions will only reflect Milestone A KIMs through November 8th. Starting Monday, November 9th, Milestone B KIMs will be included in your designation status. Milestone B KIMs are already live in the NV portal, so start working on them today!

- ☐ **ASAP:** Log into the New Visions & check your FRNYC KIMs Tracker. If Milestone A is Off Track, confirm your workbook & STARS match & all students are enrolled in those STARS codes. Submit a ticket if still incorrect.
- ☐ **By Nov 9:** Get started on Milestone B. Your Milestone B data is already live in the portal, and designation status will include Milestone B starting Nov 9.
- ☐ **By Nov 9**: Register for the required CoP (KIM B15) (register here). Cohorts 1-3 attend Nov 17; Cohorts 4-5 attend Nov 18.
